

MAKING IT EASY

BREAKFAST IN THE CLASSROOM

BREAKFAST BAGS AND TRANSPORTATION

We understand the essential need for a healthy breakfast. Studies have shown that student productivity increases when breakfast programs are implemented. We also understand the importance of federal funding opportunities for school districts through breakfast programs. Let us help you solve ways to bring breakfast in the classrooms.

POSSIBILITIES ARE ENDLESS

We are proud to partner with manufacturers that build superior, durable and stylish products that hold up to your everyday breakfast needs. We offer exclusive partners like, **ELKAY/Interior Systems**, who build custom breakfast carts that fit any budget. We are also pleased to announce our most recent partner, **Sterno School Nutrition**, that provide seamless, anti-microbial, odor-free interior breakfast bags, which are easy to clean and guaranteed leak-proof for 5 years.

Breakfast Insulated Bag

Breakfast solution featuring an advanced insulation design that helps maintain the internal temperature to keep milk cold, pre-packaged and/or hot foods at the optimal temperature. Options available:

- Breakfast Small 18.5"X12"X5"
- Breakfast Medium 16"X16"X6"
- Breakfast Large 16"X16"X8"
- Available in various colors

Milk Crate Insulated Bag

Multi-purpose advanced insulation design ideal for keeping milk below 41°F, preventing milk spoilage and carrying other hot or cold food and drinks. Fits one 13"x13"x11" crate of milk. Offerings include:

- Dispensing lid opening option
- Available in various colors
- 1 Window for classroom information

Milk Crate-Double Insulated Bag

Insulated bag ideal for Summer Feeding Programs or large groups. Able to fill one side with beverages and other side with food options. Fits two 13"x13"x11" crates of milk. Offerings include:

- 2 Dispensing lid openings
- 2 Windows for classroom information
- Available in black, call for other options
